WILL PLACE THE EIGHT STATUES

General Huidekoper, Chairman of
Pennsylvania Gettysburg Monu-
ment Commission, Here in Con-
nection with Memorial.

General H. S. Huidekoper, chair-
man of the Pennsylvania Gettysburg
Memorial Commission, under whose
direction the handsome \$140,000 state
memorial was erected and dedicated is
here today in connection with corrections
to the tablets, containing the
names of the Pennsylvanians who
fought here. Next week the entire com-
mission will meet here to do the pre-
liminary work necessary to the engag-
ing of sculptors for the eight statues to
be placed at the sides of the four
arches of the memorial.

The state legislature has appropriat-
ed \$40,000 for this work, the construc-
tion of paths about the monument and
the correction of mistakes on the tab-
lets.

The statues will be of War Presi-
dent Lincoln, War Governor Curtin,
Generals Meade, Reynolds, Hancock,
Pleasanton, Birney and Gregg. They
will be of bronze, eight feet in height,
and only sculptors of national reputa-
tion or those having done work which
entitles them to such distinction will
be given contracts for the work.

When the statues are completed
they will be placed without any for-
mal ceremony and no dedication will
follow the completion of the work.

A path is to be built about the
monument. It will likely be of con-
crete, this matter to be settled also at
next week's meeting of the commis-
sion.

Of the 34,000 names on the tablets
which compose one of the distinctive
features of the memorial there have
been only 180 complaints of errors and
of these some are only in error in
that no asterisk was placed indicating
that the soldier had been killed in the
fight. The correction of ninety of
these names will be completed before
the close of next month and the other
ninety before winter. The work is be-
ing done by the Gilbert foundry here.
It is considered remarkable that so
few errors resulted out of such a large
number of names.

Following the completion of this
work requests to have additional names
placed on the monument will be taken
up. There are several hundred of these
pending, one of which cited by General
Huidekoper this morning is of an offi-
cer who was in a hospital in Maryland
at the time of the battle who thinks
that as it was not his fault that he
was not here for the fight, that his
name has as much right on a tablet as
that of a soldier actually engaged.
His request cannot be granted, of
course. There were a number of unin-
tentional omissions and these will be
given due consideration and placed on
the monument whenever so deserving.

General Huidekoper is very much
gratified with the general approval
which has been voiced concerning the
monument. Soldiers and other visit-
ors alike have been delighted with the
handsome granite and bronze mem-
orial. The chairman of the commission
in commenting on this general ap-
proval said:

"It is the greatest soldiers' monu-
ment in the world when taken as a
memorial to the individual soldier.
It is universally recognized as such
and we feel much gratified that our
choice of this happy design from the
fifty one submitted has been given
such widespread sanction."

General Huidekoper called atten-
tion to the fact that Gettysburg follow-
ed Waterloo by 48 years and that we
are now just 48 years from "the great
struggle here. Five years ago several
Waterloo survivors were living. All
are dead now.

"RAGANNINIE" MAKES A HIT

The "Great Raganninie" who ap-
peared at the Wizard Theatre last
evening made a decided hit with his
violin impersonations. He is also a
singer with a good tenor voice. His
work pleased the large audience. An
other pleasing feature was the accom-
panying of the pictures by the violin
and the trap drum, played by Allan
B. Plank in addition to the piano.

GOOD SINGING AND ADDRESSES

County Sunday School Convention
Marked by Music, Instruction and
Enthusiasm. Large Attendance
at Thursday Night Session.

Inspiring singing, instructive ad-
dresses and a general spirit of hopeful
progressiveness in Sunday School
work are the three things which speci-
ally characterize the sessions of the
twelfth annual convention of the
Adams County Sabbath School Asso-
ciation now in session in the College
Lutheran church.

The large Chautauqua Choir occupy-
ing a platform beautifully decorated
with plants, led the big assemblage
in its singing at Thursday evening's
session. The church was filled for the
meeting and a number were unable to
gain admission.

The addresses of the convention are
being made by those thoroughly con-
versant with Sunday School work.
Thursday afternoon Prof. C. F. Sanders
spoke on "County Association Essen-
tials." Rev. C. F. Floto on "The
Sunday School as a Sacred Trust." Rev.
W. K. Fleck on "The Sunday
School as a Creator of Ideals," and
Rev. C. W. Baker on "The Sunday
School as a Missionary Force." W.
D. Reel, a state field worker talked
on "The Organized Adult Bible
Class" and Miss Martha Robinson,
who occupies a similar position in Sun-
day School work on "Graded Lessons
and Elementary Conference."

Thursday evening Miss Robinson's
subject was "The Elementary Vision
and Opportunity" and Mr. O. P. Beck-
ley, of Harrisburg, addressed the large
audience on the "The Organized Adult
Class Movement and its Significance."
Mr. Beckley teaches a class of between
four hundred and five hundred men
and talks from actual experi-
ence. His address Thursday evening
received the closest attention even
though the convention did not adjourn
until after ten o'clock.

This morning the addresses were by
Rev. Joseph B. Baker, Rev. Frederick
C. Sternat, Rev. W. E. Watkins, W.
D. Reel and Dr. M. Coover. The re-
port of the corresponding secretary,
Miss Lily Dougherty, was also receiv-
ed.

CONVENTION NOTES

The plan of having a parade of Sun-
day School workers has been abandon-
ed for several reasons.

More than one third of the popula-
tion of Adams County belong to Sun-
day Schools. When the non-Protestant
residents are taken into consideration
the percentage is even larger.

The exterior of the College Luther-
an church with its pretty electrical il-
lumination looks its best. The church
has been repainted recently and the
handsome old front is more beautiful
than ever.

The singing of the Chautauqua Choir
at Thursday evening's meeting was
the subject for much favorable com-
ment. Mr. L. L. Taylor, the leader,
directed as usual. The Rudisill Quar-
tet sang several much enjoyed numbers
Thursday evening.

The delegates are most appreciative
of the efforts being made by the local
committee in the way of entertainment,
decorations and so on.

W. H. Tipton made a flashlight
photograph of the Chautauqua Choir
on the platform after Thursday even-
ing's session.

other 4336.

FOOT BALL TEAM WILL PLAY PENN

Gettysburg College Foot Ball Team
will Meet Big University Eleven
on Franklin Field. Team in Fine
Condition. Hopes High.

Enthusiasm runs high at Gettysburg
College over the foot ball game with
the University of Pennsylvania to be
played on Franklin Field, Philadelphia,
Saturday.

About two hundred students will
accompany the foot ball squad on the
special excursion which is being run
on account of the game. The College
Band will go along and all Gettys-
burg adherents will be located in a
section of the big grandstand which
has been reserved for them. The Wal-
nut Street Theatre management has ex-
tended the courtesy of four boxes for
the team on Saturday evening and it
will be Gettysburg night at that play-
house where "Thy Neighbor's Wife"
is the attraction.

Prospects for a successful showing
at Philadelphia Saturday have never
been so bright since 1906, when the
score was 6-6, as this year and Coach
Vail and the others who have been in-
structing the team feel confident of a
creditable showing against the big
university. Part of this feeling is
based on the fact that the orange and
blue is represented by a team of veter-
ans while the Pennsylvania team has
a number of green men and this will
be their first game of the season.
Disappointment will be keen if Gettys-
burg fails to return with some glory.

The probable line-up of the team
will be right end Brumbaugh, right
tackle Beck, right guard Boyle, center
McCullough, left guard Diehl, left
tackle Dulebohn, left end Black or
Kapp, quarter back Dayhoff, right half
back Leathers, left half back Beidel-
man, full back Lawler.

A mass meeting held Thursday
night was addressed by President
Granville, Coach Vail, Phillip, Snyder
and others. There was the usual
singing and yelling, the College Band
played and things were most enthusias-
tic.

LOSES ZOOLOGICAL EXHIBIT

It developed at Carlisle Thursday
that the State Zoological Exhibition
which Professor H. A. Surface, econom-
ic zoologist of the Department of
Agriculture, had planned to show at
the Carlisle fair, had been lost in
transit. It was valued at \$1000.

The state exhibit was first display-
ed this fall at the Corry fair, two
weeks ago. It was picked up and
directed to Athens, where it was sched-
uled to appear at the Bradford county
fair last week. It did not reach its
destination, and has not been heard of
since that time.

It comprised mounted animals,
birds, insects, spraying apparatus,
bulletins, charts, pictures and fruits.

In order not to disappoint his Cum-
berland county neighbors, Professor
Surface hurriedly collected another
exhibit at the capital, and showed it
on the fair grounds Thursday. He
delivered a lecture and gave a spray-
ing demonstration to several hundred
horticulturists. The exhibit includes
birds and mammals of Pennsylvania
including insects beneficial and injur-
ious to tree life.

John Fagan's "Jim Starr" took one
of the four heats in the 2.30 mixed race
which was won by "George Gano"
owned by W. L. Karper, of Shippens-
burg. These two horses were the only
entries or that race.

ARREST FOUR IN LYNCHING PROBE

Coatesville Youths Held For Burning of Walker.

BEAR GOOD REPUTATIONS

Three Are Accused of Murder and One
Is Held as a Material Witness—Evi-
dence Against One Is Grave.

Coatesville, Pa., Sept. 29. — Four
more arrests were made in connection
with the lynching of Zack Walker,
three being held for murder and one
as a material witness.

Those charged with murder are John
Conard, sixteen years old; Louis Key-
ser, twenty-five years old, and Ernest
White, seventeen years old. Lewis
Denithorn, twenty years old, was held
as a material witness.

It is said that the evidence on which
the arrests were made was given to
District Attorney Gawthrop by three
plain clothes men, who have been
working in Coatesville in connection
with the state police. The arrests were
made by County Detective Jeffers and
three officers from West Chester, who
would not say just what the com-
monwealth has against the accused men.

It is said, however, that the evidence
against one of them is grave and has
to do with throwing Walker back in o
the fire after he had attempted to
crawl out.

Only one of the four men taken into
custody is well known in Coatesville.
This is White, who is the son of Wal-
ter White, of South Sixth avenue. For
some time past he has been employed
at the plant of the Lukens Iron and
Steel company, and is considered by
every one who knows him as a most
exemplary young man. When seen at
her home, his mother declined to dis-
cuss his arrest at any length. She was
heart-broken over the arrest. She says
that her son was away from home un-
til about 10 o'clock on the night of the
lynching.

Conard and Keyser are not well
known in Coatesville. Little could be
learned of their history, further than
that they have both been working at
the plant of the Lukens Iron and Steel
company for some time past. Those
who know them say that they are both
quiet, unassuming young fellows and
steady workmen. Denithorn, the other
boy, comes from Phoenixville. He has
been working in Coatesville for over
two years, and at the time of his ar-
rest was employed at the Worth Bros.
plant.

Miss Jessie Barkley, a daughter of
the woman with whom Keyser board-
ed, declares that Keyser has been call-
ing on her for some time, and that on
the night of the lynching he accom-
panied her to church. After the ser-
vices she says that Keyser walked
home with her and remained with her
until 10 o'clock. All four of the men
were taken to West Chester and will
have a hearing before Squire Paxson
later.

FROTHINGHAM VERSUS FOSS

Win Nomination For Governor In First
Direct Primaries.

Boston, Sept. 29.—General apathy
and Louis A. Frothingham, "regular"
Republican candidate for governor,
were the leading features of the first
test of the state wide direct primaries.

Frothingham was an easy winner
over his opponents, Speaker Joseph A.
Walker and Representative Norman
H. White.

Governor Foss, though opposed by
Thomas L. Higen, of Springfield, had
no difficulty in winning the Democratic
nomination for governor.

Find Slain Man's Comrades Murdered.
Sandusky, O., Sept. 29.—The mutil-
ated bodies of Rothe Klawetch and
Antonio Berle were found at Kelly's
Island. They were comrades of An-
tonio Dicario, whose murdered body
was taken out of the lake last Satur-
day. Everything indicates that they
were slain by Dicario's murderers. The
police are looking for two strange It-
alians who were seen on the island
about the time of the murders.

Boy Finds Parents Dying.

Danville, Ill., Sept. 29.—John Hin-
ton, a widely known horseman, and his
wife, Bertha, were found unconscious
in bed, with their skulls fractured.
They were discovered by their five-
year-old child, who said he saw two
men run from the house. Both, it is
believed, will die. There is evidence
of a struggle in the house.

Horace Greeley Relics Burned.

New York, Sept. 29.—Valuable rec-
ords of the family of Horace Greeley
were destroyed when the barn of Rev.
Frank M. Clendenin, in the Bronx, was
burned. Dr. Clendenin's wife is a
daughter of Greeley.

Irish Railway Strike Ends.

Dublin, Ireland, Sept. 29.—The rail-
way strike declared by the Amalgam-
ated Society of Railway Servants on
all railways of Ireland, but which met
with little success, has ended.

Woman Freed of Poison Charge.

Delaware, O., Sept. 29.—Mrs. Jessie
R. Henkle, arrested last June on a
charge of administering poison to her
stepdaughter, Miss Merle Henkle, was
freed of the charge by the grand jury.

35,000 TO STRIKE ON HARRIMAN LINES

Officials Refuse Conference and Unions Will Act.

Chicago, Sept. 29.—A strike of all
the Harriman lines, including the Illi-
nois Central, involving 35,000 men,
will be called as soon as the presi-
dents of the Shopmen's International
unions involved can fix upon the day
and hour, according to J. W. Kline,
president of the International Black-
smiths and Helpers' union.

Announcement was made in New
York by officials of the union and the
Southern Pacific railroad that they
had rejected the demands of the Fed-
eration of Railway Employees on their
lines.

A crisis was approached when it be-
came known that Julius Kruttschnitt,
vice president of the railroads, had
replied by telegraph to the so-called
ultimatus sent him by the heads of the
international unions involved.

"A strike is inevitable now," said
J. W. Kline, president of the Interna-
tional Blacksmiths and Helpers' union.
"Kruttschnitt replied unfavorably to
our final request for a conference,
and after a talk with other union presi-
dents we have decided that the strike
must be called."

"The men stand on their former po-
sitions. The matter of wages is an
after-consideration. They merely are
demanding the right to deal with the
railroads as a unit."

"I believe that the impending strike
will spread to all roads in the west
as fast as the roads refuse to adopt the
federation. There is a crisis between
labor and capital, and it will have to
be fought out."

FIGHT CALLED OFF

If Johnson Meets Wells, It Won't Be
In England.

London, Sept. 29.—Jack Johnson
and Bombardier Wells appeared in the
Bow street police court and gave bail
that their proposed fight will not take
place anywhere in the British Isles.

Jack Johnson to Retire.

London, Sept. 29.—Champion Jack
Johnson, the colored heavyweight
fighter, announced that he would re-
tire from the ring after concluding his
English music hall engagement. He
gave no reason for his decision to quit
the fighting game, but it is believed
he feels peeved over the agitation that
finally resulted in the calling off of
his fight with Bombardier Wells, that
was scheduled for Oct. 2.

Will Urge Repeal of Boxing Law.

Albany, N. Y., Sept. 29.—Governor
Dix will send in a special message to
the legislature urging the repeal of
the Fawley boxing law. He pointed
out that the bill had been drawn to
regulate and better boxing conditions,
but in his opinion this result had not
been achieved. Senator Fawley, the
governor said, was also disappointed
with the new law.

LAXATIVE SENT FREE TO TRY

It may be taken for granted that there is no family that does not sometime need a laxative. If you don't know of a good laxative, or the laxative you are using is losing its effect, we want to call your attention to Dr. Caldwell's Syrup Pepsin, which thousands of families are using successfully.

We have scores of letters from mothers, and scores from prominent men saying they are using it personally and giving it to their families, men like Mr. C. K. Smith of the Traffic Clearing House, Pine Bluff, Ark., and Mr. George B. Turner, a lawyer of Harlan, Ky. The thousands of mothers who use it themselves and give it to their children would take too much space to mention.

The reason they prefer Syrup Pepsin is that it is a mild, gentle laxative- tonic that does not gripe - effective and yet so mild that babies can take it. Its tonic ingredients invigorate the body and strengthen the stomach and bowel muscles so that they again do their work naturally. If you have been a victim of salts, pills and strong cathartics you will discard them when you once use Syrup Pepsin.

You can buy a fifty cent or one dollar bottle of any druggist, but before doing so you may want to try it free. If so, send your address to Dr. Caldwell and he will promptly forward a free sample bottle. Then, being convinced, do as others are doing and buy it in the regular way of your favorite druggist.

For the free sample address Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.

GRAY HAIR MAKES YOU LOOK OLD

A Simple Remedy Brings Back the Natural Color - Dandruff Quickly Removed.

How often one hears the expression, "She is gray and beginning to look old." It is true that gray hair usually denotes age and is always associated with age. You never hear one referred to as having gray hair and looking young.

The hair is generally the index of age. If your hair is gray, you can't blame your friends for referring to you as looking old. You can't retain a youthful appearance if you allow your hair to grow gray. Many persons of middle age jeopardize their future simply by allowing the gray hair to become manifest. If your hair has become faded or gray, try Wyeth's Sage and Sulphur Hair Remedy, a preparation which a chemist by the name of Wyeth devised a few years ago. It is simple, inexpensive and practical, and will banish the gray hairs in a few days. It is also guaranteed to remove dandruff and promote the growth of the hair.

It is a pleasant dressing for the hair, and after using it a few days itching and tenderness of the scalp entirely disappear. Don't neglect your hair. Start using Wyeth's Sage and Sulphur Hair Remedy, and you will be surprised at the quick results.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. People's Drug Store, Special Agent for Gettysburg.

TAFT DEFENDS
BIG BUSINESS
Makes Appeals to Check Un-
just Prejudice.
SAYS REFORMS ARE COMING

The President Wants Only Legislation
 That Helps Great Enterprises Hon-
 estly Conducted — Must Not Be
 Driven Out.

Waterloo, Ia., Sept. 29. — President
 Taft faced the middle west with an
 appeal to check unjust prejudice
 against the business enterprises of the
 country.

In an address on the relation of the
 government to the business of the
 country, which he delivered before an
 outdoor audience of several thousand
 people, the president said that the
 people of every section and class of
 this country were all in the same boat
 and that to persist in sectional vin-
 dictiveness against the prosperity of
 another section of the country would
 force business prostration throughout
 the land as surely as night follows day.
 "We are all tossed by the same
 waves," he cautioned them.

Present Laws Sufficient.

The president advocated progress in
 the movement to prevent the abuses
 of monopoly and undue advantage, but
 declared that the time had come to
 call a halt in hostility to business and
 to more prosperity or success. He as-
 serted that generally the laws now
 enacted were sufficient to assure the
 correction of those evils and counseled
 only helpful legislation for the future.

At the same time he emphasized his
 determination to enforce those laws.
 The attorney general, he said, was act-
 ing under his orders in the prosecu-
 tion of the trusts and had no discre-
 tion whatever to stay the hand of the
 government, and so long as such com-
 binations existed they would be prose-
 cuted under the law.

He pointed out that the evils which
 the interstate commerce law and the
 anti-trust law had been adopted to cor-
 rect were in process of being reme-
 died; that blind anger against the tar-
 riff because it was excessive was dan-
 gerous; that the public interest de-
 manded the adoption of a scientific
 currency system in which the mer-
 chants of the country could have con-
 fidence, and declared that there was
 now enough restrictive legislation to
 secure the prevention of abuses by
 monopoly and that the people of the
 country should work together in an
 effort to restore business tranquility.

Attacks Progressives' Speeches.

The president attacked the radical
 political declamations of the progres-
 sive politicians of the middle west,
 asserting that speeches made to
 arouse prejudice in the people of one
 section of the country against the busi-
 ness of another were made by the
 blindest of men. He said that the time
 had come for the people of the coun-
 try to realize the folly and danger of
 legislation engendered by sectional
 prejudice and declared that the peo-
 ple should not allow any set of men,
 actuated by their political ambitions,
 to mislead them into hostility against
 the prosperity of other sections of the
 country, for this would certainly work
 injury to all the nation.

It was not progressive, the president
 said, to legislate against a railroad be-
 cause it was a railroad, and that be-
 yond the point of regulating them by
 statutes so as to prevent their recur-
 rence to the past evils, it was of the
 highest importance to the country to
 see that the railroads had reasonable
 rates and that their shareholders had
 a profit. Shoes, clothes and wholesome
 food, he said, was what made for the
 happiness of men, and legislation that
 denied a railroad the right to make
 reasonable profit or extreme agitation
 that upset business worked more harm
 on the wage earner than the share-
 holder. Any other view, he declared,
 was lacking in sanity, and it was the
 unreasonable antagonism which po-
 litical exigency had developed against
 business enterprise that gave ground
 to the complaints of the business men
 of the country.

Denounces Sectional Prejudice.

The president called upon the peo-
 ple of the country to put their should-
 ers together to promote the business
 prosperity of the country by frowning
 down the attacks engendered by a de-
 sire to arouse sectional prejudice. He
 declared that the people of the coun-
 try must assure the business men
 that they would not be driven out of
 business; that they must remain to-
 gether; be charitable and kind; be
 not so suspicious and ready to ascribe
 corrupt motives; have legislation that
 helps or an absence of legislation
 where unnecessary and approve and
 promise great business enterprises
 that honestly accumulate property
 and puts it to the help and support of
 the shareholder and the wage earner.
 "That," said the president, "is my
 hope for the future."

The president spoke to audiences in
 eight Iowa towns. In most of his
 speeches he discussed his tariff vetoes
 and he dwelt several times upon
 the promise that he would recommend
 such tariff revision to congress within
 three months as would conform to the
 demands of the Iowa Republican state
 platform for a scientifically revised
 tariff.

ITALY TO SEIZE
AFRICAN CITIES
Refuses to Allow Any Negotia-
tions on Occupation.
TROOPS READY TO LAND

Economic Concessions Offered by Tur-
key Are Rejected and War Appears
to Be Certain.

Rome, Sept. 29.—The Italian gov-
 ernment has notified Turkey of its in-
 tention to occupy Tripoli and Cyrene.
 Economic concessions offered by Tur-
 key at the eleventh hour are rejected
 by Italy, which announces its purpose
 to protect its interests and its dignity
 in its own way, relying no longer on
 Ottoman promises.

The ultimatum which embodies this
 notification will expire today.

Italy's purpose is set forth in a note
 addressed by the Italian foreign min-
 ister to the Italian charge d'affaires
 at Constantinople. This note is sup-
 posed to have been prepared some
 time during Tuesday night, but the
 exact hour of its delivery to the Porte
 is not revealed.

The communication, while leaving
 no opportunity for negotiations over
 the fact of occupation, is an ultima-
 tum in that it demands that the Tur-
 kish government reply within twenty-
 four hours, declaring that it will not
 oppose the measures which Italy has
 adopted to effect the solution of the
 difficulty which it considers necessary.
 In the absence of such a reply Italy
 will proceed immediately "with mea-
 sures destined to assure the occupa-
 tion."

The minister of foreign affairs has
 sent the following telegram to the
 Italian legations at Athens, Belgrade,
 Cettinge, Sofia and Bucharest, also
 to the Italian consulates in the Bal-
 kans:

"The constant opposition of Turkey
 to all legitimate and economic activi-
 ty on the part of Italians in Tripoli and
 Cyrene, and the danger which sur-
 rounds our nationals at this moment
 compel the royal government to take
 grave measures that may give rise to
 a conflict between Italy and Turkey."

"The government has decided to
 solve the question of Tripoli in con-
 formity with the interests and dignity
 of Italy, but in attaining that end rests
 its policy always upon maintaining
 the 'status quo' territorially in the
 Balkan peninsula and the consolida-
 tion of Turkey in Europe."

The message instructs the recipients
 to exercise energetic efforts to prevent
 anti-Turkish movements.

Constantinople advises say General
 Robilant, the Italian chief of the in-
 ternational gendarmerie in Macedonia
 and all the Italian officers in the Tur-
 kish service are leaving for Italy.

READY TO LAND TROOPS

Italian Squadron Off For Tripoli to
Protect Landing Force.

London, Sept. 29.—There is now lit-
 tle hope that an armed conflict be-
 tween Italy and Turkey will be averted.

A force of 40,000 Italian troops is ly-
 ing off the coast of Tripoli, and will
 probably be landed under the guns of
 a powerful squadron unless Turkey
 does the unexpected thing and accepts
 the ultimatum delivered to her.

The first Italian squadron, command-
 ed by Rear Admiral Aubrey, composed
 of four dreadnoughts, three cruisers
 and a number of torpedo boats, is now
 anchored in line off Tripoli.

The second Italian squadron is at
 Taranto awaiting orders to convoy
 transports.

The Turkish fleet has been recalled
 from Beirut, where it was liable to
 Italian attack.

The Italian plan of campaign is to
 seize the Tripolitan ports and make
 no advance into the interior for the
 present, as it is considered that Tur-
 key may then bow to force.

A Rome dispatch says that some of
 the powers, especially Germany, are
 making every effort to localize the
 hostilities. It is stated that the great-
 est danger in this respect is the excite-
 ment of the Turkish populace in Con-
 stantinople, Salonika and other large
 towns. If violence be done to Italian
 residents there the conflict will neces-
 sarily be enlarged in area and se-
 verity.

The correspondent of the Chronicle
 sends a dispatch from Tripoli, saying:
 "All business here has stopped and
 great excitement prevails. The Turkish
 steamer Derna entered the harbor
 within view of the whole Italian fleet,
 which apparently had been watching
 her for many miles. She landed 100
 soldiers, several boxes of ammunition
 and rifles. It is expected that the fleet
 will now take steps to occupy the
 place. At any moment the fleet could
 have stopped the Derna, but refrained,
 I understand, under orders from the
 Italian government.

"The news spread like wildfire. The
 Turkish soldiers swarmed about the
 harbor, yelling threats against Italy
 and the Italians. The later are momen-
 trily in fear of attack. The Turks are
 endeavoring to induce the Arabs to
 contribute to the defense of the town
 with men and goods, but have not met
 with much success."

Snow Falls at Ashtabula, O.

Ashtabula, O., Sept. 29.—This town
 has the distinction of receiving the
 first snowfall of the season in this lat-
 tude. It came during a downpour of
 rain and sleet.

A Worthy Candidate For
County Commissioner

WE, the tax-payers of Adams County, respectfully ask
 the voters of the county to support H. J. Gulden, of
 Menallen township, for the nomination of County Com-
 missioner on the Republican ticket. He is a man of good
 character and business ability, just the kind of men needed
 for this office. Mr. Gulden, we believe, has the in-
 terests of the voters at heart and if nominated and elected,
 as he should be, the tax-payers will be carefully guarded.
 We ask you to support this worthy candidate at the
 Primaries on Saturday.

HIS PETITIONERS.
